The Hospitality Kit is about making Tourist accommodation accessible to people who are Deaf, hearing impaired or speech impaired. It allows Deaf, hearing impaired and speech impaired people to easily access telephone and other facilities at Hotels, Motels, B & B's and private guest rooms.

The kit will be available for hire at no charge to tourism operators for guests during their stay in the Great Alpine Valleys and can be booked through the Visitor Information Centers.

Come along on the night to learn how your business can benefit from the Hospitality Kit.
