## **8 PRESENTATION OF REPORTS BY OFFICERS**

### **8.1 CHIEF EXECUTIVE OFFICER – CHARLIE BIRD**

#### **8.1.1 New proposed date for September 2019 Ordinary Council Meeting**

File Number: 662.01

#### **INTRODUCTION**

This report seeks Council's approval to reschedule the 3 September 2019 Council meeting to 10 September 2019.

#### **RECOMMENDATION**

*That:*

- 1. the September Ordinary Council Meeting be held on Tuesday 10 September 2019 in the Council Chambers Bright and not 3 September 2019 as previously endorsed by Council in December 2018;*
- 2. notice of the proposed change to the September 2019 Ordinary Council Meeting schedule be published on Council's website; and*
- 3. notice of the revised date be given at least two weeks prior to the revised date and published on Council's website and in a locally circulating newspaper.*

#### **BACKGROUND**

Section 83 of the *Local Government Act 1989* (the Act) provides for Council to hold 'ordinary meetings at which general business of the Council may be transacted'.

Council historically holds its ordinary meetings on the first Tuesday of the month (except public holidays) commencing at 7pm.

#### **ISSUES**

##### **September Meeting**

Council's Annual Financial Statements must be presented to a Council meeting for in-principle approval prior to being submitted to the Victorian Auditor General's Office. This would ordinarily occur at the Ordinary Council meeting in September, however due to availability of Council's external auditors information will not be available until the week following. By revising the date of the Ordinary Council Meeting this will negate the need to hold a Special Council Meeting solely for the purpose of the Annual Financial Statements.

#### **POLICY IMPLICATION**

The recommendation is in accordance with the following Strategic Objective of the Council Plan 2017-2021:

- A high performing organisation.

**CONCLUSION**

The revised date for the September Ordinary Council Meeting be approved by Council.

**DECLARATION OF CONFLICT OF INTEREST**

Under Section 80C of the *Local Government Act 1989*, the following officers declare that they have no interests to disclose in providing this report.

- Executive Assistant to CEO

## **8.2 DIRECTOR ASSETS – WILLIAM JEREMY**

### **8.2.1 Cycling Safety Strategy**

#### **INTRODUCTION**

A Cycling Safety Strategy has been developed to identify and prioritise infrastructure improvements and education actions that Council can undertake to improve safety for cyclists in the Alpine Shire.

#### **RECOMMENDATIONS**

*That Council:*

- 1. Endorse the Cycling Safety Strategy Report (July 2019); and*
- 2. Add to the project pipeline the infrastructure upgrade projects recommended in the Strategy for delivery by Council.*

#### **BACKGROUND**

Cycle tourism has grown significantly in the past five years and is forecast to more than double in the next seven years.

The growth in all modes of cycling, by both visitors and residents, is resulting in increased friction between vehicles and cyclists competing for space on our road network. There is concern that this competition will result in undesirable impacts to road user safety and enjoyment.

In September 2018, Council received grant funding of \$25,000 from the Traffic Accident Commission (TAC) to develop a Cycling Safety Strategy.

#### **POLICY IMPLICATIONS**

This recommendation is consistent with the following Strategic Objective of the Council Plan 2017-2021:

- Incredible places for our community and visitors.

It is also consistent with the following priority of the Municipal Public Health and Wellbeing Plan:

- Physical activity and healthy eating.

#### **FINANCIAL AND RESOURCE IMPLICATIONS**

Where appropriate, actions from the Strategy will be added to Council's Project Pipeline for future delivery. The prioritisation and funding of projects in the Project Pipeline is subject to the normal annual budgeting process in Council.

#### **CONSULTATION**

Key external stakeholders were consulted throughout the development of the strategy including:

- Regional Roads Victoria;

- Victoria Police;
- Local schools;
- State Government Department of Economic Development, Jobs, Transport and Resources (DEDJTR);
- Alpine Cycling Club;
- Team Mount Beauty; and
- Tourism North East.

These organisations have a specific interest in public safety, tourism, cycling, or road infrastructure, and were consulted for their views on how cycling safety can be improved.

### **CONCLUSION**

The Strategy identifies the key cycling safety issues across the Shire. It also provides recommended solutions to the identified safety issues, which will inform future infrastructure works, as well as education campaigns to improve safety for all road users. It is recommended that Council endorse the Cycling Safety Strategy.

### **DECLARATION OF CONFLICT OF INTEREST**

Under Section 80C of the *Local Government Act 1989*, the following officers declare that they have no interests to disclose in providing this report.

- Director Assets
- Manager Asset Development
- Project Officer

## **BACKGROUND**

Alpine Shire Council's 2019/20 Event Funding Program was open for applications between 29 May and 21 June 2019. Forty nine (49) applications were received, with a cumulative request of \$375,265 in financial sponsorship.

Council Officers carried out preliminary scoring of each application against the following criteria as detailed in the Event Funding Program Guidelines:

- Community impact and benefit;
- Expected economic and tourism benefits;
- Event profile;
- Capacity and capability of the event organiser to develop and deliver the event; and
- General criteria, including: long term sustainability of the event; operational detail of the event (including marketing); social justice principles; capacity to build relationships; location and fit of the event within the community; long term legacy creation; links to state/regional and local event strategies/plans.

Guided by the preliminary scoring, the applications were then reviewed by an assessment panel comprising:

- One member of the Bright and District Chamber of Commerce;
- One member of the Upper Kiewa Valley Community Association;
- One member of the Myrtleford Chamber of Commerce;
- A youth representative from Bright;
- Two Councillors (Cr Forsyth and Cr Knapstein);
- Council's Director Assets; and
- Council's Manager Economic and Community Development and Events Development Officers were also present to support the assessment panel.

The assessment panel has recommended that 44 applicants receive support through the Event Funding Program, totalling \$68,100 in financial sponsorship and an estimated value of \$71,850 in logistics support.

## ISSUES

Five applications have not been recommended for funding through the Events Funding Program, for the reasons outlined below.

Event Name	Applicant	Requested \$
Bright Oktoberfest	Gilandos T/A Bright Oktoberfest	\$4,000
<i>This event has been running for 10 years and has been financially supported by Council for the past three years. It is run for profit and should now be financially sustainable. The assessment panel agreed that financial support from Council is no longer appropriate.</i>		
Midwinter Snowball	Champagne Club Kiewa Valley Inc	\$1,500
<i>This event is now out of the seed funding period (first three years of event) and has not shown adequate growth/innovation to justify continued financial support from Council.</i>		
Second Chance Deb Ball	Champagne Club Kiewa Valley Inc	\$500
<i>The assessment panel agreed that based on the event plan this event would be better suited as a private social event and as such financial support from Council would not be appropriate. Other community funding sources or corporate sponsorship may be more fitting.</i>		
Summer Festival	Mount Beauty Neighbourhood Centre	\$1,950
<i>The application did not provide adequate information about the event to properly assess it against all criteria. From what was provided, the assessment panel agreed that the activities proposed were an extension of the core business practices of the Neighbourhood Centre rather than a standalone event.</i>		
Transmoto 8-Hour Wangaratta	Three Crowns Media Group Pty Ltd	\$5,000
<i>This event is not taking place within the Alpine Shire and was deemed ineligible.</i>		

## POLICY IMPLICATIONS

The recommendations in this report are aligned with the following Strategic Objective of the Council Plan 2017-2021:

- A thriving and connected community.

## FINANCIAL AND RESOURCE IMPLICATIONS

Council's 2019/20 budget includes provision of \$200,000 to support the delivery of events, comprising expenditure of \$250,000 offset by income of \$50,000 from Sports and Recreation Victoria for the Mountain Bike Australia (MTBA) National Championships event.

Outside of the Event Funding Program, Council has committed to providing \$40,000 of financial sponsorship to the 2019 Spartan Trifecta Event and \$20,000 of financial sponsorship to the 2020 Mountain Bike Australia (MTBA) National Championships.

The available budget to allocate to events through the Event Funding Program is therefore \$140,000, and the recommended allocation of \$139,950 for sponsorship and logistics support is within the available budget.

### **CONSULTATION**

The Event Funding Program was advertised in the local media, on Council's website and Facebook page, and details were emailed directly to all existing event organisers. Event organisers were engaged by Council's events team through the application period.

An assessment panel including two Councillors and four representatives from across the Shire assessed the applications received under the Event Funding Program, and provided the recommendations contained in the report.

### **CONCLUSION**

Events are important to the Alpine Shire, providing economic injection and cultural enrichment.

The recommendations put forward by the funding assessment panel support events that align with the regional brand, encourage repeat visitation, contribute to the events calendar, have a positive economic impact for the community and may be sustainable over a long period of time.

The recommendations aligns with the event funding criteria.

## 8.2.4 Tourism North East Memorandum of Understanding

File Number: 1615.18

### **INTRODUCTION**

The purpose of this report is to provide background information and to seek Council endorsement for the signing of the Memorandum of Understanding (MoU) with Tourism North East for 1 July 2020- 30 June 2023.

### **RECOMMENDATION**

*That the:*

- 1. Memorandum of Understanding (MoU) between Alpine Shire Council, partnering councils and Resort Management Boards to facilitate the operations of Tourism North East be endorsed by Council;*
- 2. Chief Executive Officer be authorised to sign the MoU;*
- 3. Financial commitment detailed in the MoU of \$38,500 per annum with CPI increases in years two and three be allocated in Council's future budgets for its annual membership contribution; and*
- 4. Financial commitment for annual marketing and promotions activity to be undertaken by Tourism North East be allocated in Council's future budgets, for the term of the MoU, with annual expenditure of up to \$200,000.*

### **BACKGROUND**

Memorandum of Understanding:

In 2011, Tourism North East (TNE) was established to replace the former marketing campaign committee called North East Victoria Tourism Inc. to drive the growth and development of the tourism industry across North East Victoria. The partnering councils and Resort Management Boards formalised the arrangements in a Memorandum of Understanding (MoU) that was signed by all partner Chief Executive Officers (CEOs). The MoU has been in existence since, providing a commitment of recurrent funding to underwrite the core functions of the organisation.

Since its inception, TNE has delivered significant results across a broad range of focus areas and successfully attracted additional financial resources from State and Federal Government as well as substantial 'buy in' from tourism industry operators.

TNE has a focus on the following activities:

- Industry development
- Product development
- Regional marketing
- Strong advocacy and a united voice for the region

- Effective coordination and communication
- Skills training
- Leadership and mentoring
- Networking

TNE has a skilled workforce with specialist skills around marketing, project management, communication and digital marketing which has resulted in ongoing high value outputs and a very engaged tourism industry.

TNE governance is managed through a Board structure, meeting quarterly and composed of stakeholder representatives (CEOs) from the nine participating councils and Resort Management Boards as well as skills-based directors. Parks Victoria has a representative on the Board in a non-voting capacity. The Board has an independent Chairperson.

As a result of the quality of work and the broad range of focus areas of TNE, Alpine Shire Council has been able to achieve efficiency and broad reach in the delivery of destination marketing for the Alpine Shire. The partnership between TNE and Alpine Shire Council continues to strengthen and the Shire's industry operators view TNE as a genuine partner in developing and growing the tourism industry.

TNE is regarded as the leading Regional Tourism Board in Victoria. Its success is evidenced by the significant growth and visitation expenditure \$336m in 2018, up 29% and 27% respectively on the previous two years.

The MoU is a succinct document that defines the roles and responsibilities of both TNE and the partner stakeholders.

#### Annual Marketing and Promotions Plan:

Annually, TNE delivers a number of marketing activities and campaigns on behalf of the participating councils and Resort Management Boards, including the management and hosting of the regional digital platforms and linked websites. There are five websites for Alpine Shire hosted on the regional digital platform. Annually, TNE prepares in consultation with Council Officers a costed schedule of promotional activity, industry development opportunities, and product development projects that it will undertake throughout the financial year that addresses promoting the key product pillars for the region. Costs associated with the regional digital platform sites are incorporated into the annual plan.

#### **ISSUES**

The strength and success of TNE is as a result of the commitment from each of the partner stakeholders. Resourcing of the core functions of TNE is shared equally with the participating stakeholders. Through its commitment to TNE, a small organisation such as the Alpine Shire Council is able to benefit from leveraging off a significantly larger pool of resources and experience than it would be able to support in-house.

This MoU is a continuation of the commitment from all partner stakeholders and is a three year commitment effective from 1 July 2020. This term provides an adequate period of time for TNE to focus on the delivery of a range of multi-year initiatives and

to build confidence with State and Federal Governments as TNE regularly takes on the project management function for regionally significant projects that are funded through State and Federal programs. Buy-in activity is for one year only and is reviewed annually through the budgeting process.

The annual marketing and promotional plan is prepared by TNE in consultation with Council and costs for delivery are incorporated into preparation of Council's annual budget.

### **Annual Review**

The Board of TNE undertakes annual reviews of the organisation including the performance of the Board, the strategic direction of the organisation and the performance of the CEO and staff.

### **Board Directorship**

The CEO is Council's nominated Director on the TNE Board, this director role is unpaid.

### **POLICY IMPLICATIONS**

The recommendations in this report are consistent with the following Strategic Objective of the Council Plan 2017-2021:

- A thriving and connected community.

### **FINANCIAL AND RESOURCE IMPLICATIONS**

The MoU will commit Council to three years of core funding of \$38,500 per annum with CPI increases in years two and three. The annual marketing and promotions activity plan costs of up to \$200,000 will be incorporated into Council's annual budget with an offset (of approximately \$25,000) by fees paid by tourism operators when listing their product on the regional digital platform websites.

### **CONSULTATION**

Consultation with council and tourism industry operators and tourism partner organisations is an ongoing process. TNE has significantly improved the level of integration with industry, council and other stakeholders since the organisations inception.

### **CONCLUSION**

Council's involvement in TNE since its inception has been of great benefit to the Shire and the tourism industry. It is recommended that this commitment be continued for another three years.

## **8.3 DIRECTOR CORPORATE – NATHALIE COOKE**

### **8.3.1 Insurance Portfolio 2019/20**

File Number: SU0655

#### **INTRODUCTION**

This report outlines Council's insurance portfolio for 2019/20 and seeks Council approval for the purchase of the recommended insurance policies.

#### **RECOMMENDATION**

*That Council:*

- 1. Procure its 2019/20 WorkCover insurance from Xchanging to the value of \$173,825.36 including GST; and*
- 2. Procure its 2019/20 Community Public Liability, Councillors and Officers Liability, Motor Vehicle, Airport Owners and Operators Liability, Personal Accident, Corporate Travel, JMAPP (Assets) insurance and brokerage service from Jardine Lloyd Thompson Pty Ltd to the total value of \$252,032.82 including GST.*

#### **REPORT**

##### **WorkCover Insurance**

WorkCover insurance is regulated under the *Workplace Injury Rehabilitation and Compensation Act 2013*.

The Act requires:

- Council to register with WorkSafe as an employer;
- WorkSafe to provide Council with statutory insurance to cover Council for the cost of workplace injuries suffered by its workers;
- Council to pay the WorkCover insurance premium (s430)

WorkSafe appoints a panel of agents to provide its WorkCover insurance through a tender process and then allocates Council to an agent from the panel.

Council's WorkCover registration is allocated to Xchanging Integrated Services Victoria Pty Ltd.

The primary factors taken into account in the calculation of Council's WorkCover insurance premium are:

- Remuneration - the wages, salaries, superannuation and other benefits Council pays its workers.
- Industry classification rate - the claims experience for local government and other Council activities.
- Performance rating - Council's claims cost experience for the previous three years compared to the industry average.

Council's 2019/20 WorkCover insurance premium taking into account various adjustments and a 5% early payment option is \$173,825.36 including GST.

### **Other classes of Insurance**

Jardine Lloyd Thompson Pty Ltd (JLT) has been Council's insurance broker since the inception of the Council and provide continuity of a quality service. Council's brokerage service was last market tested prior to 2017/18 financial year.

JLT, on behalf of Council, undertake market testing of all insurance policies generally on a three year rolling basis.

### Asset Insurance

JLT also administer the Victorian councils owned mutual, Municipal Asset Protection Plan Discretionary Trust Arrangement, otherwise known as JMAPP. JMAPP is essentially a fund for property damage claims combining conventional property damage/business interruption insurance with a discretionary trust element that enables the trustees to make discretionary payments that would not have been otherwise covered under traditional insurance policies.

In anticipation of the premium for the JMAPP policy exceeding \$150,000 in 2019/20, Council appointed JLT to undertake a public tender for this class of insurance in conformity with Section 186 of the *Local Government Act 1986*.

In addition to advertising the tender, all major insurers for each class of insurance were contacted to submit a tender to ensure the most competitive terms and conditions were achieved. Two insurers responded to the initial expression of interest and were able to comply with the conditions however only one tender was submitted.

### Procurement policy and cumulative spend

JLT source a total of seven insurance policies on behalf of Council and while the policies are placed with various underwriters, JLT invoice Council for each policy with a cumulative spend in excess of \$250,000 requiring Council approval as it is above the \$150,000 threshold in Council's Procurement Policy and the *Local Government Act 1986*.

The recommended insurers and premiums, including GST, for 2019/20 are:

<b>Class of Insurance</b>	<b>Insurer</b>	<b>Premium</b>
Community Public Liability	QBE Insurance (Aust) Ltd (through Key Underwriting)	\$2,699.26
Councillors and Officers Liability	XL Insurance Company	\$11,067.77
Motor Vehicle	AAI Ltd T/As Vero Insurance	\$58,038.78
Airport Owners and Operators Liability	QBE Aviation	\$3,961.63
Personal Accident	Chubb Insurance Australia Ltd (through Key Underwriting)	\$1,462.87
Corporate Travel	Chubb Insurance Australia Ltd (through Key Underwriting)	\$149.60

<b>Class of Insurance</b>	<b>Insurer</b>	<b>Premium</b>
JMAPP (Assets)	Municipal Asset Protection Plan Discretionary Trust Arrangement	\$151,897.18
Broker Fee	JLT	\$22,755.70
<b>Total Cost</b>		<b>\$252,032.82</b>

### **POLICY IMPLICATIONS**

This recommendation is in accordance with the following Strategic Objective of the Council Plan 2017-2021:

- A responsible and sustainable organisation.

### **FINANCIAL AND RESOURCE IMPLICATIONS**

Council has allocated funds in its 2019/20 budget to cover its insurance premiums.

### **CONCLUSION**

It is recommended that Council place its 2019/20 WorkCover Insurance with Xchanging and a suite of other insurances including motor vehicle and asset insurance through JLT.

### 8.3.2 Community Satisfaction Survey 2019

File Number: 800.03

#### **INTRODUCTION**

The annual Community Satisfaction Survey coordinated by Local Government Victoria provides a benchmark for the majority of Councils across Victoria. Alpine Shire Council's 2019 overall performance survey results are slightly lower than 2018 survey results. Customer Service remains Council's highest performing area.

#### ***RECOMMENDATION***

*That Council note Alpine Shire Council's results for the 2019 Community Satisfaction Survey.*

#### **BACKGROUND**

The annual Community Satisfaction Survey is coordinated by Local Government Victoria (LGV). While each Council has the ability to 'opt in' to the survey, the introduction of the Local Government Performance Reporting Framework (LGPRF) from 1 July 2014 has tied three of the results in the framework to questions within the Community Satisfaction Survey. The survey consists of a group of 'core' questions that are asked by every council that participates, plus a suite of 'optional' questions. Council elected to ask only the core questions, providing a basis to both provide good comparative data across councils, and also satisfy the needs of the LGPRF.

The survey (conducted by JWS Research on behalf of LGV) consists of a phone interview with 400 residents - survey sampling was matched to the demographic profile of the Alpine Shire according to the most recently available Australian Bureau of Statistics population estimates. Up to 40% of the surveys were undertaken on mobile phone numbers. Surveys were conducted during February and March 2019.

In 2019, 63 of the 79 councils across Victoria participated in the survey. Of these, 18 were in the "Small Rural Councils" grouping, to which Alpine Shire Council is allocated. Results for the survey are shown relative to the Small Rural Councils grouping and the wider State-wide results in 2019 and against Council's own result in 2018.

Results are summarised through an 'Index Score' which is a weighted average of how many respondents responded against each possible survey response to each question, including 'very good', 'good', 'average', 'poor' and 'very poor'. Survey responses of 'can't say' were excluded from the Index Score. A higher index score indicates a more positive weighted response.

## RESULTS

# Alpine's 2019 result is significantly higher than Alpine's 2018 result

<sup>^</sup>Alpine's 2019 result is significantly lower than Alpine's 2018 result

## RESULTS

- Council performs as well or significantly higher than the State-wide and Small Rural council averages on all service areas.
- The two areas showing decline on 2018 figures are Overall Council Direction, and Community Consultation - although the Community Consultation result has returned to the same level as in 2017. In both cases, Alpine's 2019 result is in line with both State-wide and Small Rural Council results.
- Making Community Decisions and Sealed Local Roads continue to be areas where Alpine performs well above the State-wide and Small Rural Council results.
- The report recommends a focus on service areas where current performance levels have seen declines in the past year, namely Community Consultation.

## Customer Service

- Respondents that had contact with Council in 2019 fell slightly compared to 2018. Contact includes: in person, in writing, by telephone conversation, by text message, by email or via Council's website or social media such as Facebook.
- 62% of residents rate Alpine's customer service as 'very good' or 'good', compared to 68% for Small Rural Councils and 69% State-wide.
- 19% rate Alpine's customer service as average, compared to 17% for both Small Rural Councils and State-wide.

## Full report

- Council's full report and more in-depth analysis of results can be found in Attachment 8.3.2. State-wide comparative results can be found at: <https://www.localgovernment.vic.gov.au/our-programs/council-community-satisfaction-survey>

## POLICY IMPLICATIONS

While undertaking the Community Satisfaction Survey is not mandatory, the linkage between results for "Community Consultation", "Making Community Decisions" and "Sealed Local Roads" with the Local Government Performance Reporting Framework (LGPRF) has meant that undertaking it not only gives Council an insight as to how the

community thinks it is performing, but means that Council is able to meet its annual reporting requirements.

### **FINANCIAL AND RESOURCE IMPLICATIONS**

The annual cost to Council for the 'core' questions in the Community Satisfaction Survey was \$8,700 including GST. This is a slight increase compared to the previous year.

### **CONSULTATION**

400 residents were surveyed by JWS Research (on behalf of Local Government Victoria and Alpine Shire Council) to gather the data for this survey. All interviews were conducted by phone.

### **CONCLUSION**

Council performs as well or significantly higher than the State-wide and Small Rural council averages on all service areas. Council's performance has declined slightly compared to the previous year, but in some cases the decline is a return to similar trends from 2017.

### **8.3.3 Provision of Labour Hire and Accompanying Technology Solutions for Council's Seasonal Outdoor Swimming Pools and River Pools**

File Number: CT19043

#### **INTRODUCTION**

This purpose of this report is to award a three year contract for the provision of labour hire services for seasonal swimming pools and river pools. Council's approval is required due to the Chief Executive Officer's threshold of \$150,000 being exceeded for this contract.

#### ***RECOMMENDATION***

*That Council Award Contract No. CT19043 to MomentumOne Shared Services Pty Ltd for the provision of labour hire and accompanying technology solutions for an initial period of three (3) years (plus and option of one further term of 3 years) according to a comprehensive schedule of rates. The cost of contract for the first year (based upon current planned pool seasons and operating hours) is estimated to be \$179,000 (plus GST).*

#### **BACKGROUND**

In September 2016 Council awarded a contract for the provision of labour hire and accompanying technology solutions for employee classifications associated with aquatic and recreational facilities and cleaning. This contract ends in September 2019.

The Bright Sports Centre (including the Bright Indoor Pool) is operated under direct Council management and an assessment of management options had also been planned to be undertaken within the 2018/19.

In May 2019, Council entered into a joint tender with Indigo Shire Council for the Provision of Pool Management Services. The purpose of the tender was to explore market options for the management of Council's seasonal swimming pools and the Bright Sports Centre. The tender called for proposals for either management models or labour hire solutions as separable parts, and separate parts for the seasonal swimming pools and Bright Sports Centre.

The tender also enabled Indigo Shire Council and Alpine Shire Council to make separate determinations as to which, if any, of the tendered options to recommend.

The tender submission closing date was 4 June 2019, with three tender submissions received. The three tender submissions were for the management of Council's seasonal pools and Bright Sports Centre; management of the Bright Sports Centre only; and for the provision of labour hire and accompanying technology solutions for the seasonal pools and Bright Sports Centre.

## **EVALUATION**

Submissions were evaluated according to the key selection criteria listed in the Invitation to Tender, these being:

- Price
- Qualifications and previous performance
- Safety
- Alignment to Council values, policies and strategies
- Program, operating systems management
- Ability to recruit, retain and manage staff

Following an assessment process it has been determined that the tender from MomentumOne Shared Services Pty Ltd best met the selection criteria for the tender for Council's Seasonal Pools.

## **ISSUES**

### **Submissions**

The submissions were very different in nature. The submission proposing a management model for all sites proposed that the full responsibility for day to day management of the facilities would be the responsibility of the tenderer. The tenderer would pay all operating costs (including staff costs), other than agreed capital works or major repairs/maintenance, and recover these costs from Council, and charge Council an additional management fee.

The Labour Hire Model proposed the provision of staff and technology for the operation of the facilities under Council management. Council would pay all operating costs and labour hire costs as charged by the tenderer.

The Bright Sports Centre only submission proposed that the full responsibility for the day to day management of the centre would be the responsibility of the tenderer. They would pay all costs associated with the operation of the centre (including staff costs), other than agreed capital works and major repairs/maintenance, and Council would pay a set annual management fee.

### **Probity**

To address the following issues:

- MomentumOne is a joint venture between Alpine Shire Council and Towong Shire Council
- Alpine and Towong Shire Councils are 50/50 shareholders in MomentumOne
- The Chief Executive Officers (CEOs) of Alpine and Towong Shire Councils are the Directors of MomentumOne

Council excluded the CEO from all stages of development of tender documents and the subsequent review, evaluation and recommendations resulting from the tender. Council's Audit Committee Chairperson was an independent member of the tender evaluation panel.

The Alpine Shire Council CEO is the nominated Director / Council Representative on the MomentumOne Board, this director role is unpaid.

### **Evaluation**

The evaluation included a reference comparison based upon Council operating the facilities under its direct management and staffing. In evaluation the labour hire model offered the most cost effective model and scored highest in the weighted evaluation for the operation of Councils seasonal pools.

At this stage Council has not finalised its evaluation of the submissions for the Bright Sports Centre though the contract proposed with MomentumOne would provide for provision of labour for the pool component of this facility if required.

### **POLICY IMPLICATIONS**

The Tender was advertised and evaluated in accordance with Council's Procurement Policy.

This recommendation is consistent with the following Strategic Objective of the Council Plan 2017-2021:

- Highly utilised and well managed community facilities.

### **FINANCIAL AND RESOURCE IMPLICATIONS**

Services under this contract are estimated to cost in excess of \$179,000 (plus GST) per annum with the exact contract amount varying due to actual staff hours engaged throughout the outdoor pool season. This estimate is based upon total billed staff hours for the 2018/19 season at the quoted schedule of rates submitted in the tender from MomentumOne Shared Services Pty Ltd.

The financial impact of awarding this contract is to maintain service provision at current levels but adjusted to cater for future movements in CPI. The budget for 2019/2020 has been prepared on the basis of these services being provided and will be adjusted annually in accordance with the relevant clause in the contract.

### **CONSULTATION**

All tenders were reviewed and discussed with the submitting tenderers including detailed discussions regarding the management model submitted. Though the tender was run as a joint tender with Indigo Shire Council each Council has conducted its own assessment and the recommended contract would be between Alpine Shire Council and MomentumOne Shared Services Pty Ltd.

## **CONCLUSION**

Following a comprehensive assessment the tender from MomentumOne Shared Services is deemed to present the best value and services for Council in delivering its seasonal pool services.
